

We started to diagnose any disease “free of cost” & “online” through our website. We diagnosed sinusitis, uterine fibroids, tinnitus, breast cancer, hiv/aids, bipolar disorder, Down syndrome, etc., most accurately and it was confirmed by CT scanning, biopsy, MRI, etc.

We shall be glad to help anyone free of cost instantaneously. You may visit our website, down load the acupressure maps, study the instructions and contact us on phone on any working day between 11.00 am to 3.00 pm. You may keep a print out of acupressure maps and a stronger person from your family/friends/neighbors and then contact me on my phone---918702432437 or 919849367207.

U may study the appended literature + acupressure maps published here under, discuss with family members and friends and understand the concept, which is very easy. Then U may check for Urself Ur ailment and the affected organs. U have to apply hard pressure with the aid of thumb and /indexmiddle finger. If these areas are painful, it means that particular organ[s] is/are affected.

Dr.Vora designed it in such a way that even the poorest of the poor all over the globe, with no insurance cover, can have instant diagnosis right @ their door steps with perceivable relief/cure; by compliance.
